

ADACTO...FROM A TO Z!

More news from **Projectclima web-site** that ,always updating and enriching its web pages ,adds the bright new **ADACTO** Video-Presentation.

The video presents, in only 7 minutes, both **PROJECTCLIMA** and **ADACTO**, illustrating every single aspect : a very young and creative company and all the characteristics of the **ADACTO** modular system.

Such video has been created to express and describe the versatility of **ADACTO** to architects and designers : from the simple installation and the "easy to clean" system, to the replacement of the covers and the software planner, the video underlines all the innovative ideas of a company always in line with the new trends of the market.

An important part of the short film shows the easy use of the **ADACTO** software, that **PROJECTCLIMA** offers to its clientele for the creation of customised radiators.

The new ADACTO video will be available to download from www.projectclima.it in occasion of the opening of the SALONE INTERNAZIONALE DEL BAGNO in Milan, where PROJECTCLIMA will be exhibiting from the 16th to the 21st of April, Hall 14,Stand E52
