

## **NEW ADAOCTO FINISHES**

The modular **ADAOCTO** system enriches its range with new anodised finishes : **BLACK, BRONZE** and **GOLD**, in line with the new Trends of the Interior Design industry.

An idea that will enlarge the vast range of **ADAOCTO** radiators, a safe choice for the many designer who look out for exclusive project, taking advantage of the modular system and the many possibilities given by the available finishes.

Classy and extremely flexible to create combination with different material used now days in the furnishing field, the new anodised finishes will be added to the latest Jaguar and Zebra ones, already a Must in the market.

**PROJECTCLIMA**, this year too, is planning new exciting collection in collaboration with important Designer and Architects

**PROJECTCLIMA** is therefore continuing to update with new variant the **ADAOCTO** range showed, during the **SALONE INTERNAZIONALE DEL BAGNO in Milan, from the 16<sup>th</sup> to the 21<sup>st</sup> of April, Hall 14,Stand E52**
