

## **NEW CUSTOM MADE COLLECTIONS FOR ADAOCTO DISTRIBUTORS**

With the new **ADAOCTO Modular System by PROJECTCLIMA**, there is the possibility for each distributor, to create a customised collection choosing forms, colours and finishes. This has given the importers of many foreign countries, the chance to have an exclusive collection, specifically studied for their market. Once again, the versatility of **ADAOCTO** forms and colours, prove itself to be one of the main strength of a very simple concept, fully-developed in the solutions proposed. Every single detail has been analysed and studied to help the choice of the client, the installation and the possible evolution in the home furnishing industry.

**PROJECTCLIMA latest products can be viewed during the SALONE INTERNAZIONALE DEL BAGNO in Milan, from the 16<sup>th</sup> to the 21<sup>st</sup> of April, HALL 14, STAND E52**
