

**PROJECTCLIMA PRESENT THE LATEST PRODUCTS AT THE SALONE
INTERNAZIONALE DEL BAGNO
MILANO, 16-21 APRILE 2008**

Projectclima will be exhibiting at the next edition of the **SALONE INTERNAZIONALE DEL BAGNO, from the 16th to the 21st of April, in Milan**, to present, to a very qualified public of Italian and International guests, the latest news regarding its Modular Design Radiators, part of the **ADACTO** range.

The solution that **PROJECTCLIMA** offers in terms of Design and innovation with the **ADACTO** range, it's something Unique in this field: the possibility to have a "Custom-made" radiator, choosing colours and dimensions, in order to satisfy any aspect of the house.

ADACTO combines modern design and versatility with an extreme adaptability to any solution of Style.

Together with the **ADACTO** software, designed to create customised radiators, and the 12 existing collections, **PROJECTCLIMA** will be introducing, during the **SALONE INTERNAZIONALE DEL BAGNO**, new interesting anodised finishes and will offer its experience and technical advice to architects, designer and interior designer.

PROJECTCLIMA, in addition to the Uniqueness of its radiators, offer professional advice for various type of projects, from renovation to building and construction, for both business and residential uses.

PROJECTCLIMA will exhibit its new and exciting ADACTO Products during the SALONE INTERNAZIONALE DEL BAGNO in Milan, from the 16th to the 21st of April 2008, HALL 14, STAND E52
